Chapter 1 by Samuel Marcroft

My name is Samuel I'm a terrarian from the world of Terraria. living in Terraria is really hard, mobs are always after you at night there are zombies. First things first let's start building a house. I went with my copper axe to go chop down some trees and by the time I Chopped down 15 trees. I had enough wood for my house. I also made a crafting table. the next day I went mining. I mined for copper lead and iron which I used to make an anvil. I also made a furnace so that I may smelt bars of metal which I used to make a iron broadsword. And with the extra wood from my house made myself wooden armor. the next day and the day after that I mind for more copper and iron till I had enough to make iron armor. The next day I made a iron bow and 200 arrows which I use to defend myself. later that day I decided to go exploring I stumbled upon a giant beehive and wondered about it the next day, I came back to it with my pickaxe and weapons. I mined a hole in the by and saw these trapped in honey I'm on the Block below it and I heard something that I'll never forget. It was a giant Bee known as the queen bee a boss in the land of Terraria. I fought it bravely for the next hour then finally I defeated it dropped a treasure bag. inside was the The Beekeeper The beesknees bottled honey and honed goggles. I was very tired so I went straight to my house after taking the items and told myself that I would test them out tomorrow. woke up in the morning with
